That dooth vs sore menace
Afore thy souers face

Our trayl to forgete.

¶ Graunt me a boone lady
To preserve me this day
Without thyspe not to deye
And to syune by no way

Thy longes p̄ceptes to obay
His name to glorify
And thyn eternally.

I haue no manner arte
Thy prayyng to suffyle
But yet with all my harte
After my symple guyle
This wyse / I wyl decyfe
O excellent / o pure.
O heuently creature.

Laud / hyrne / rise honour
Symphonyng in byle
Unto the of women flour
The queres thre times thre

Before the trynity
Prayle thyn excellence
In all the sayntes presence
